To Whom It May Concern:

I am writing in reference to Docket No. 92-90, Telephone Consumer Protection Act of 1991. As a residential real estate sales agent for Concept 100 Real Estate, Inc., Lancaster, PA, I rely heavily on the telephone for person-to-person solicitations for both marketing as well as my business development. Imposing restrictions on my ability to use the telephone for my business would create a severe hardship in my ability to do a good job for those who hire me to market their properties, as well as in developing my own business.

I implore you to consider the importance of my being able to use the telephone without restrictions on person-to-person solicitation of residential properties when drafting your regulations to implement the Telephone Consumer Protection Act of 1991.

Sincerely,

Gary F. Schleicher

Attention: Docket No. 92-90 ✓

I have recently learned that the F.C.C. is considering a regulation to restrict person-to-person telephone solicitations. As a practicing professional REALTOR, such a regulation would be devastating to my personal business.

I am asking that this regulation not be imposed - at least on real estate sales persons soliciting clients and customers.

Thank you for your consideration.

Sincerely,

Catherine Roberts
